

DIY profiles

To complete the vast selection of profiles, Profilitec also proposes a series of do-it-yourself profiles. L, U, T, tube- shaped profiles and many other designs are available in numerous materials and finishes for all your design needs.

DIY profiles

Do-it-Yourself Profiles in stainless steel, brass and aluminium, made in different shapes and sizes to cover, screen, divide, protect, restore and connect.

Length: 2,00 meters

It is recommended to use FIXXTEC multipurpose adhesive to bond the product. For further information, see page 302.
